CLASS HISTORY

In the fall of 1961 the present Senior Class started its high school adventure. This year brought new faces: Dick Houk, Bill Kirk, and Janet Schell. Our officers were President, Brian Clark; Vice President, Bob Roberts; Secretary, Tom Freed; Treasurer, Mike Roberts; Student Council, Bob Potteiger. During the year we sponsored a dance, "Winter Wonderland."

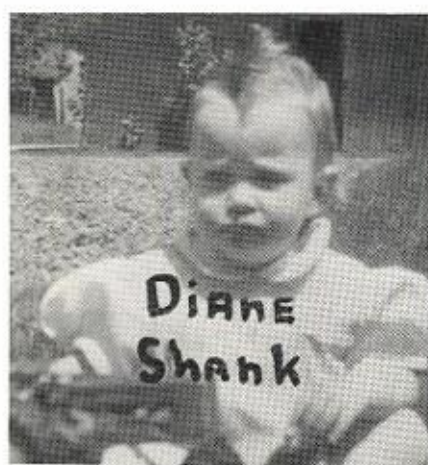

When we began our Sophomore year, we lost several members, but gained Kay Hough, Paul Jackaway, and Tom Spoon. Our officers were President, Bob Roberts; Vice President, Tom Freed; Secretary, Reva Withrow; Treasurer, Mike Roberts; Student Council, Bill Griffith. As Sophomores we were a little more ambitious and sponsored a dance, a car wash, and served at the Honor Society Banquet.

As Juniors, although we lost a number of members, we gained Sandi Simon, Suzanne Weber, and Connie Warren. Our officers were President, Reva Withrow; Vice President, Brian Clark; Secretary, Vicki Hall; Treasurer, Mike Roberts; and Student Council, Tom Freed. We had a very busy year selling glass cleaner, winning the magazine drive, presenting the play TWO DATES FOR TONIGHT, receiving our class rings, and sponsoring the prom "Moonlight in the Spring."

When we were Seniors, we began our last year of our high school career. As in previous years we lost several members, but we did gain Diane Shank, which brought our total number to forty-five. Our officers were President, Mike Roberts; Vice President, Bob Roberts; Secretary, Vicki Hall; Treasurer, Cheryl Hulbert; and Student Council, Suzanne Weber. Our activities were presenting the play, SHY GUY, giving a dance, and serving at several banquets. Graduation and Baccalaureate were Sunday, May 23.

**HOW FAR DOES MARATHON
GO TO PLEASE YOU ? ? ? ? ?**

We go around the world. Right now, Marathon is operating in such faraway places as Libya, Australia, Spain, Alaska, and Ireland. We search for oil. We find it. We explore its possibilities at our modern research center and three testing laboratories in this country. We refine it into a multitude of fine petroleum products at our four major refineries, and transport it through more than 3,700 miles of pipeline. We go farther to please you at the pump, too. For we know that your impression of us depends on the service you receive at the Marathon station...around the corner. Have you tried Super-M gasoline, lately? Please do. We'd like to put our size at your service.
